the university.
The Springfield Symphony Or-The Springfield Symphony Or-chestra gives its next concert Jan. 22 in the Auditorium. An unpleasant automobile accident necessitated our missing the last choral concert by the orchestra, flat major, K. 543. Born in 1917 We were told that it was one of the finest ever given here, and it revealed added facets of Robert Staffanson's musical direction

The Holyster Staffanson's musical direction

a recital in the War Memorial the both the Philharmonia and evening of Jan. 23. The Holyoke French National Radio Orches

The final recordings made for the Mozart anniversary are trinkling in. What a deluge it has been, yet the general caliber was pretty good. Columbia introduces the admirable French pianist Robert Casadesus in three Mozart sonatas, and on another recording, he place sonatas, and on another recording, he plays, with wife Gaby of the finest performances of Casadesus, the Mozart Concerto in E flat for two pianos and orthestra and years will be considered to the finest performances of Beethoven's Symphony No. 7 we have heard. The Philharmonia in E flat for two pianos and orchestra, and very well played it is. The same record also carries Mr. Casadesus as soloist in the Mozart Concerto No. 12 for piano and orchestra. George Szell conducts the Columbia Symphony orchestra with knowing style.

Now the 100th anniversary of the death of Robert Schumann is will be always about 1 factories.

the death of Robert Schumann is causing a revival or rather addi-

network can't exist without stars gits.

and the stars are only too happily aware of the situation.

If you've often wondered at the top-heavy salaries commanded

by the top stars, there's your answer—top stars are a rare commodity, and the three cornered bidding for them puts

them in a wonderfully command-ing position.

The most recent skirmish among the three networks involved Frank Sinatra, with ABC coming out on top as a surprise winner. And no soon-

er had the smoke from that one died down than the battle

one died down than the battle flags were hoisted for another, this one, strangely, between ABC and NBC for the exclusive services of one Mr. Harry Crosby, Mr. Crosby, who generally goes by the nickname of Bing, is now a free agent, his long-term contract with CBS having come to an end

# OF RACE TO GET WATER TO LAND

'Mountain That Moved' Story of Colorado Val-

ley Achievement
A race against drought, with
a construction man's career
hanging in the halance, is the
subject of "Telephone Time's"
true story, "The Mountain That
Moved," to be seen over the CBS
Television network, and WHYNTV. Channel 55, tonight at 6 p. m.
The mountain divided the upper Colorado River from Colorado's Grand Valley. On March
8, 1950, a subterranean slide
blocked the irrigation tunnel running through it. Unless the tunning through it. Unless the tun-ning through it. Unless the tun-nel were reopened by early June, Grand Valley's crops, valued at more than a million dollars, would be ruined.

John Nesbitt opens his "Telephone Time" story with the de-cision of construction Superin-tendent B. A. Peters to bid on he job. Because of the time schedule, 15 of 22 firms invited inst found earth instead of hard ock, and they had to shore up helind them.

Jan. 1 at 5 to 5.55 p. m.
